NBA Merged description
The description of the columns are listed below:

- **game_id**: Unique 8-digit identifier for each NBA game. Each game contains exactly 2 rows (one for the focus team, one for the opponent team).
- **game_date**: The date the game was played (Format: YYYY-MM-DD).
- **season**: The NBA season during which the game took place (e.g., 2014-15).
- **team_abbr**: The 3-letter abbreviation of the focus team (e.g., GSW, LAL).
- **opp_abbr**: The 3-letter abbreviation of the opponent team.
- **TEAM_NAME**: The full franchise name of the focus team (e.g., "Golden State Warriors").
- **MATCHUP**: Text representation of the game matchup (e.g., GSW vs. LAL for home games, or GSW @ LAL for away games).
- **is_home**: Boolean (True/False) indicating whether the focus team was designated as the home team.
- **true_home**: Boolean (True/False) indicating if the game was played in the focus team's actual home arena (helps filter out neutral site games).
- **neutral_site**: Boolean (True/False) indicating if the game was played at a designated neutral venue.
- **is_bubble**: Boolean (True/False) indicating if the game was played in the Orlando COVID-19 isolation zone ("The Bubble") during the 2019-20 season.
- **arena_name**: Name of the arena hosting the game.
- **arena_city**: The city where the arena is located.
- **arena_state**: The state where the arena is located.
- **win**: Boolean indicator (True if the focus team won, False if they lost).
- **PTS**: Total points scored by the focus team.
- **OPP_PTS**: Total points scored by the opponent team.
- **PLUS_MINUS**: Point differential for the focus team (PTS - OPP_PTS).
- **MIN**: Total team minutes played during the game (normally 240 for a regulation game).
- **ot_periods**: The number of overtime periods played (e.g., 0 for regulation, 1 for single overtime, etc.).
- **FGM**: Field Goals Made (all 2-point and 3-point baskets made).
- **FGA**: Field Goals Attempted.
- **FG_PCT**: Field Goal Percentage (FGM / FGA).
- **FG3M**: Three-Point Field Goals Made.
- **FG3A**: Three-Point Field Goals Attempted.
- **FG3_PCT**: Three-Point Percentage (FG3M / FG3A).
- **FTM**: Free Throws Made.
- **FTA**: Free Throws Attempted.
- **FT_PCT**: Free Throw Percentage (FTM / FTA).
- **OREB**: Offensive Rebounds.
- **DREB**: Defensive Rebounds.
- **REB**: Total Rebounds (OREB + DREB).
- **AST**: Assists recorded by the focus team.
- **STL**: Steals recorded by the focus team.

- **BLK**: Blocked shots recorded by the focus team.
- **TOV**: Turnovers committed by the focus team.
- **PF**: Personal Fouls committed by the focus team.
- **OPP_FGM**: Opponent Field Goals Made.
- **OPP_FGA**: Opponent Field Goals Attempted.
- **OPP_FG3M**: Opponent Three-Point Field Goals Made.
- **OPP_FTA**: Opponent Free Throws Attempted.
- **OPP_OREB**: Opponent Offensive Rebounds.
- **OPP_DREB**: Opponent Defensive Rebounds.
- **OPP_REB**: Opponent Total Rebounds.
- **OPP_TOV**: Opponent Turnovers committed.
- **OPP_PF**: Opponent Personal Fouls committed.
- **OPP_AST**: Opponent Assists recorded.
- **OPP_STL**: Opponent Steals recorded.
- **OPP_BLK**: Opponent Blocked shots.
- **possessions**: Estimated number of offensive possessions for the team in the game.
- **pace**: Game pace, normalized to possessions per 48 minutes.
- **off_rating**: Offensive Rating (points scored by the focus team per 100 possessions).
- **def_rating**: Defensive Rating (points allowed by the focus team per 100 possessions).
- **net_rating**: Net Rating (difference between Offensive and Defensive Rating: off_rating - def_rating).
- **efg_pct**: Effective Field Goal Percentage (adjusts shooting efficiency to reflect that 3-point shots are worth 50% more than 2-point shots).
- **tov_pct**: Turnover percentage (percentage of possessions ending in a turnover).
- **orb_pct**: Offensive rebound percentage (percentage of available offensive rebounds grabbed by the team).
- **ft_rate**: Free Throw Rate (ratio of free throw attempts to field goal attempts).
- **fouls_drawn**: Total personal fouls drawn from the opponent.
- **foul_diff**: Foul differential (fouls_drawn - PF).
- **fta_diff**: Free throw attempt differential (FTA - OPP_FTA).
- **reb_margin**: Rebounding margin (REB - OPP_REB).
- **season_win_pct_excl_game**: Focus team's cumulative win percentage heading into this game (excludes this game to prevent data leakage).
- **season_avg_margin_excl_game**: Focus team's cumulative average point margin heading into this game (excludes this game).
- **margin_vs_season_avg**: Point margin of the current game compared to the team's average season margin prior to the game.
- **team_season_away_margin**: Team's average scoring margin in away games during that season.
- **team_season_home_margin**: Team's average scoring margin in home games during that season.
- **team_season_hca_margin**: Calculated Home Court Advantage margin (Home Margin - Away Margin) for the team over the season.
